

Point Pleasant 7v7 Soccer Tournament

Scoring

- 3 points for a win, 1 point for a tie, 0 points for a loss, 1 bonus point for a shutout
- 1 point for each goal scored in a match up to 3 goals

Seeding

- For boys, teams in each pool with the three highest point totals based on the above scoring will advance to the 12 team knockout stage. In the girls division the teams will be seeded based on the above scoring.
- Breaking ties in final seeding
 - Total points
 - Head to head result
 - Goal differential
 - Goals against
 - Total Goals for
 - Penalty kick shoot-out (best of 3 spot kicks, then 1 to 1 until winner)
 - If by chance three teams remained tied all the way to this phase the three team names will be placed in a hat and the first two teams pulled out will have a shoot-out with the loser being declared the 3rd seed of the pool. Then the winner of that shoot-out will have another shootout with the other team to determine the first and second seed.

Rosters

- Set your rosters in a manner that best benefits your program.
- We will provide 15 championship t-shirts to the winner of each division, however you do not have to limit your rosters to 15.
- 6 field players and 1 goalkeeper should be on the field
- You may dual roster your keepers if needed.

Rules of Play

- Games will be 20 minutes in length with a running clock
- We will have 6-8 referees rotating through the games so each game will have 2 officials
- Team listed first on schedule will kick off
- Standard HS rules with the following exceptions
 - Keepers may distribute with throws or from ground like a field player, no punting
 - Goal kicks must touch a player or the pitch on same side of the field that kick is taken from
 - Penalty will be an indirect free kick for the other team from midfield spot
 - Goal kicks may be taken anywhere in the goal box, we ideally want quick restarts
 - No offsides
 - 5 yards will be awarded on free kicks to the attacking team
 - If a player receives a red card the player must sit the rest of that game and the next game. The team may still play 7 players. If a player receives a second red card in the tournament they are finished for the tournament. Please help your players keep perspective during the tournament.
- In case of a tie in the knockout stages, teams will play a single five minute "Golden Goal" period followed by a best of 3 shootout. If still tied after three shots it will be one for one until each player on the roster has shot.
